enumerated in decreasing order of importance. Standard abbreviations used to denote area(s) of specialization are given in the list of Abbreviations. Additionally, the following codes have been used.

-5	...	Less than 5 years of experience
5+	...	More than 5 but less than 10 years of experience
10+	...	More than 10 years of experience
MG	...	Millet, grain
MF	...	Millet, forage
SG	...	Sorghum, grain
SF	...	Sorghum, forage
MM	...	Minor millets
XX	...	Other crops

We are aware that this Directory is by no means complete. We request all sorghum and millets research workers to send in additions and corrections so that we can update and revise the Directory. Meanwhile, despite such possible deficiencies, we hope the present effort will help bring about better communication among sorghum and millets research workers.

Shri. P. Divakar has been primarily responsible for the compilation of the Directory. Very helpful inputs have come from the Members of the SMIC Advisory Subcommittee: D.J. Andrews, L.K. Mughogho, and J.B. Wills. We are also grateful to all the research workers who have kindly responded to our questionnaire.

This publication is made possible by financial assistance received from IDRC, Canada, for the SMIC project.
